

SUMMER CAMP 2018

All of our camps and classes strive to offer the children a chance to shine onstage. We hope to build their confidence in a safe and nurturing environment and foster valuable life skills such as teamwork, creativity, imagination and responsibility.

These 5 day camps are a condensed summer stock experience. The children will put together a miniature production of a Broadway musical or create their own using songs that most know and love. Shows could include: Grease, The Sound of Music, Annie, 42nd Street, Wicked, and Hairspray to name but a few. Campers will work on their vocal and dance technique while putting together their production. There will be a performance on the last day of camp at 2:00pm.
